Exit Interview Summary and Themes Report

HR Knowledge Hub | Employee Relations

Owner: Devon Russell | Last updated: October 30, 2026

Quarterly rollup of voluntary departure reasons and themes surfaced in exit interviews, used to inform retention initiatives.

Key Points

- Compensation was cited in 31% of exits this quarter, down from 38% last quarter.
- Career growth concerns remain the top driver among tenure-2-to-4-year employees.
- Manager relationship issues account for a small but consistent share of departures.
- Findings are shared with department leads during the quarterly people review.
