Supplier Scorecard - Fastener Components

Manufacturing Knowledge Hub | Supply Chain and Logistics

Owner: Omar Haddad | Last updated: October 30, 2026

Quarterly scorecard rating the top fastener suppliers on quality, delivery, and responsiveness metrics.

Key Points

- On-time delivery is weighted most heavily in the overall supplier score.
- Suppliers scoring below the minimum threshold enter a formal improvement plan.
- Scorecard results are shared directly with each supplier during quarterly business reviews.
- Two suppliers moved from the improvement plan to approved status this quarter.

Supplier	Quality Score	On-Time Delivery	Overall Rating
Northbridge Fasteners	96%	94%	Preferred
Caldera Supply Co.	89%	81%	Approved
Trimark Components	78%	72%	Improvement Plan
