Win-Loss Analysis - Q2

Sales & Marketing Knowledge Hub | Competitive Intelligence

Owner: Nina Patel | Last updated: October 30, 2026

Analysis of closed-won and closed-lost deals from the quarter, highlighting the top reasons cited for each outcome.

Key Points

- Top win reason cited was implementation speed compared to incumbent tools.
- Top loss reason cited was price relative to a lower-cost competitor option.
- Deals with a technical evaluation included had a measurably higher win rate.
- Findings were shared with sales enablement to update the objection handling guide.
