Webinar Recap Report - Total Cost of Ownership Series

Sales & Marketing Knowledge Hub | Marketing Campaigns

Owner: Sofia Alvarez | Last updated: October 30, 2026

Post-event report summarizing attendance, engagement, and pipeline influenced by the total cost of ownership webinar series.

Key Points

- Registration-to-attendance rate was 58%, above the quarterly average of 48%.
- Top engagement question concerned implementation timeline versus competitors.
- Twelve attendees were existing open opportunities, fast-tracked to late-stage discussion.
- Recording was repurposed into three short clips for paid social distribution.
